

SOTA-DL: Deletion of P100 Summits

- The SOTA Management Team decided to introduce P150 for the SOTA DL Association from 1.Jan 2025 onwards, published end Sept 2023: <https://reflector.sota.org.uk/t/association-updates-1st-october-2023/33409/10> : „DL – Major Update”
- 136 summits will be deleted vs. the summits list of Oct 2023.
- Robert DL4ROB created an .xls List of these summits as export from the Database, see next page.
- marked these summits on snippets from the SOTATLAS (status January 2024), one (two) page per Region as an help for activation planning (no guarantee for no errors)
